

Join us! **FREE FISHING DAY**

**CELEBRATE PLANS FOR EXPANDED EASTERN
BROOK TROUT HABITAT ON THE BREWSTER RIVER**

SMUGGLERS NOTCH RESORT | SATURDAY, JUNE 8TH

**SMUGGLERS NOTCH RESORT, 4323 VT-108 SOUTH, JEFFERSONVILLE, VT 05464
FUNDRAISER, WORKSHOPS, AND RIVER TOURS 11AM-4PM**

The Brewster River has much to celebrate. Conditions for Brook Trout habitat is going to improve over the next 3 years because of the planned removal of 4 dams along the river corridor. This will reconnect most of the corridor for eastern brook trout passage!

Come celebrate this event with your family. Our partners including the Vermont Natural Resources Council, The US Fish and Wildlife Service, The Vermont Fish and Wildlife Department, Trout Unlimited, The Vermont River Conservancy, The Vermont Native Fish Coalition among others will be present. Workshops and tours that will be fun for the whole family!

Workshops will include a stream table, macroinvertebrate sampling, e-fishing, fly fishing demos, tying basic knots for fishing lures, and more! Tours will be given showcasing the dams that will be removed to expand eastern brook trout habitat all afternoon.

The event will begin and end at the main COURTYARD <https://maps.app.goo.gl/4WwcJekxYV1MEYdR7> at the base of Morse Mountain. You will find maps and agendas for the day here and you can plan your day accordingly.
